**Better Homes and Gardens® Quilt Sampler Magazine®... Who is in?**

## The Running Stitch!!!

It is such an honour for The Running Stitch to be branded one of the top quilting resources, not just in Canada, but in North America!! We are so thankful to you for your ongoing support over the past 3.5 years which has enabled us to blossom into the quilt shop that we have become. Your encouragement gave us the confidence needed to explore new paths and take chances along the way. Our heartfelt appreciation goes out to each and everyone one of you, our clients, as we accepted this award at The International Quilt Market in Salt Lake City on May 13<sup>th</sup>, 2011.

Local Ottawa quilt shop chosen, as one of ten, from nearly 3,000 quilt shop applicants in North America to be featured in Better Homes and Gardens® Quilt Sampler Magazine®! The only Canadian shop chosen!!

We want to celebrate our victory with you, so stay tuned for more exciting Quilt Sampler Magazine® activities in the months to come!
